Subject: Update on Allied discussion/potential meetings planned?

Hi Michael –

I just left you a voicemail message regarding any updates on Allied communications. Had the city set any dates on public meetings? Are we planning any upcoming meetings?

I had received a call from Clause today inquiring on when that may be. He is requesting some time at a public meeting to handout and read a letter (as he has done previously). His health is not doing so great and I think he wants to be able to plan his participation in the meeting. I told him I would call him back with any information I can provide. Feel free to give me a call so we can discuss. Thanks Michael!
